

Conclusion

The commendations and recommendations in this report are designed to focus the school on those areas that will have the greatest impact on student performance and school effectiveness. While powerful in potential, the commendations and recommendations only have meaning when acted upon by the school. The strength of this report lies in the school's commitment to using the findings to continuously improve. The key is action. The school is encouraged to use the report as a call to action, a tool to sustain momentum in the ongoing process of continuous improvement.

The team identified several recommendations for improvement that the school will need to address. Following this review, the school will be required to submit a progress report summarizing its progress toward addressing the team's recommendations.

The Quality Assurance Review Team expresses appreciation to John C. Fabre, members of the professional staff, students, parents and other community representatives for their hospitality throughout the visit. The team wishes the school and its students much success in the quest for excellence through SACS CASI accreditation with AdvancED.
