

October 27, 2008

Mr. John C. Fabre, Principal
Redemptorist Diocesan Regional High School
4000 Saint Gerard Avenue
Baton Rouge, LA 70805

Dear Mr. Fabre:

The Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI), an accreditation division of AdvancED, is pleased to provide you with the report of the external review team that visited your school on October 6-7, 2008. We hope you and your faculty found the visit rewarding and professionally stimulating.

The enclosed report has been reviewed for quality by an AdvancED Reader. It will be forwarded to your SACS CASI state council for review at the state level. The state council will make an accreditation recommendation to the AdvancED Accreditation Commission, which will take action on your continued accreditation at their next scheduled meeting. Following official action from the AdvancED Accreditation Commission, you will receive a letter conferring your accreditation status.

We hope you find the information in this report useful. We encourage you to use the report, particularly the direction provided in the "Recommendations" and "Next Steps" portions of the report, as a starting point for your continued improvement efforts. You will be asked to complete an Accreditation Progress Report, outlining the progress you have made toward addressing the team's recommendations.

As you know, improvement is a continuous process. Use the report not only to celebrate your past accomplishments but also to stimulate action for continued and greater success. Now is an excellent time to review your school profile and improvement plan and make refinements in response to what you have learned from your work and the team report.

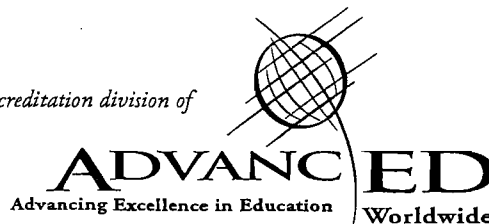

As you continue your improvement efforts, we encourage you to use SACS CASI and AdvancED as resources. Take advantage of the expertise of state office staff, tap area Field Consultants, consult with your team chair, and connect with peer schools. Use our website, handbooks, e-communications, and tools. Attend workshops. Let us be your partner in improving school and student performance.

Thank you for your continued commitment to quality education for all children through accreditation.

Sincerely,

Mark A. Elgart, Ed.D., President/Chief Executive Officer
