

SUMMER CPR DATES

Juniors are reminded that Adult CPR is a graduation requirement of RHS. It is recommended that those who have not taken CPR by now should take a class during the summer before the next school year begins. Ms. Kathy Mendoza will be teaching several classes of CPR at Redemptorist in June and July.

Students are only required to take one class for their CPR graduation requirement. If you are unable to take a class during one of the dates and/or times listed below, please call Ms. Mendoza. She will be glad to arrange another date and/or time that is convenient for you.

Underclassmen may also take CPR for their graduation requirement during the summer. You do not have to wait until your senior year to take CPR. Many underclassmen have already completed their requirement.

While Ms. Mendoza will remain Red Cross certified to teach CPR, she will not be offering the class through the Red Cross, which is why the fee is less than last year's fee. Let Ms. Mendoza know if you need Red Cross certification for a job, and she will arrange a class for you.

You may begin registering for a class by calling 357-0936, ext. 226 or 937-5994. **The fee is \$20 cash or check made out to Kathy Mendoza.** The fee must be paid at the beginning of the class. Classes will be held in the Redemptorist High School library. Class times and dates are:

TUESDAYS at 11:00 a.m. : June 2, 9, 16, 23, 30

THURSDAYS at 5:00 p.m. : June 4, 11, 18, 25

SUNDAYS at 5:00 p.m. : June 28, July 12, 19, 26
