

SUMMER CPR DATES

Parents and students are reminded that Adult CPR is a graduation requirement of RHS. It is recommended that incoming seniors who have not taken CPR should take a class during the summer before the beginning of the school year. Ms. Kathy Mendoza will be teaching several classes of CPR at Redemptorist in May, June and July.

Students are only required to take **one class** for their CPR graduation requirement. **If your student is unable to take a class during one of the dates and/or times listed below, please call Ms. Mendoza. She will be glad to arrange another date and/or time that is convenient for the student.**

Underclassmen may also take CPR for their graduation requirement during the summer. They do not have to wait until their senior year to take CPR. Many underclassmen have already completed their requirement.

You may begin registering for a class by calling (cell) 937-5994 or (school) 357-0936 ext. 226. **The fee is \$20 cash or check make out to Kathy Mendoza.** The fee must be paid at the beginning of the class. Classes will be held in the Redemptorist High School library. Class times and dates are:

SUNDAYS at 5:00 p.m.: June 6, 13, 27, July 11, 18
